**ORDINANCE : FIVE YEAR INTEGRATED
MASTER'S OF BUSINESS ADMINISTRATION
PROGRAMME**

1. The duration of the 5-year Integrated M.B.A. programme shall be five academic years. Each year shall be divided into two semesters. Thus, the programme shall be comprising of 10 semesters. This programme is divided into two modules.

Module-I shall be comprised of first six semesters i.e. three academic years. On the completion of this module, the students will be awarded Bachelor's Degree in Business Administration.

Module-II shall be comprised of 7th through 10 semesters (4 semesters) i.e. two years. On the completion of Module-2, the students will be awarded the Master's Degree in Business Administration.

2. Unless the candidate successfully completes Module-I, he will not be promoted to the 7th semester i.e. first semester of Module-2. A candidate can complete this module within a maximum period of 5 years. Similarly a candidate can complete Module-2 in a maximum period of 4 years. Thus the total duration of the programme shall be 9 years.
3. The examination for the 1st, 3rd, 5th, 7th and 9th semesters shall ordinarily be held in the month of December and or the 2nd, 4th, 6th, 8th and 10th semesters in the month of April/May or on such dates as may be fixed by the Vice-Chancellor.

A special examination for 6th and 10th semesters may be held as per the decision taken by the Vice-Chancellor from time to time. The Vice-Chancellor, on the recommendation of the Director, IMSAR, will allow the concerned candidates to appear in this examination.

4. Last date for receipt of admission forms and fees shall be fixed by the Vice-Chancellor from time to time.
5. A supplementary examination for the first, third, fifth, seventh and ninth semesters examination will be held alongwith their regular first, third, fifth, seventh and ninth semesters examinations in December/January and second, fourth, sixth, eighth and tenth semesters examinations will be held alongwith regular second, fourth, sixth, eighth and tenth

semesters examinations which will be held normally during the months of May/June. A candidate on the rolls of the Department of M.B.A. or an ex-student shall submit his application for admission to an examination on the prescribed form with the requisite certificate duly countersigned by the Director, IMSAR or a senior member of the teaching staff nominated by him.

6. The Director, IMSAR shall forward to the Controller of Examinations atleast 2 weeks before the commencement of the examination of each semester a list of the students who have satisfied the requirement of rules and are eligible to appear in the examination.
7. Admission to the First Semester of the 5-year Integrated M.B.A. programme will be open to candidates who have passed:-
 - (a) Senior Secondary Examination (10+2) with 50% marks in aggregate from a recognised Board of Education or
 - (b) an equivalent examination from the Education System of India and Abroad.
 - (c) In case of SC/ST/socially Backward Categories, the applicant should have secured 45% marks.
8. Each candidate shall be examined in the subject(s) as laid down in the syllabi prescribed by the Academic Council from time to time.
9. 25% marks in each written paper excluding Training Report, Project Report and Viva-Voce shall be assigned for internal assessment. The question paper will be jointly set by internal and external examiners. The internal examiner will send a set of 15 questions to the external examiner who will then finalise paper by selecting 8 questions. He may change the form of question(s) but ordinarily without changing the substance. However, in question paper(s) where any deviation is required, special instructions will be issued by the Chairman, Board of Studies in Management Studies. Both the Internal and External Examiners will be entitled for remuneration as per the pattern approved by the University for the two year full time M.B.A. programme.

10. The answer books will be examined only by the external examiner. The Director of the Institute shall forward the internal assessment marks obtained by the students in each paper to the Controller of Examinations atleast 2 weeks before the commencement of the semester examination. This internal assessment will be done in different courses by the concerned teachers in the following manner:

- i) 5 marks will be allotted for written case analysis (WCA)/written assignment in each course;
- ii) 10 marks be allotted for participation in seminars/class participations; and
- iii) 10 marks will be allotted for internal Assessment Test. In each course, there will be atleast one mid-semester test which would be arranged by the concerned faculty member.

The concerned teachers shall preserve records on the basis of which the internal assessment awards have been given atleast till the end of one month from the date of declaration of the semesters examinations results. If needed, the same could be inspected by the University authorities.

11. The 1st Semester's Examination shall be open to a regular student who;

- i) has been on the rolls of the Institute during the first semester;
- ii) has attended not less than 75% of the lectures in the semester; and
- iii) has obtained pass marks in the internal assessment in the papers for which he/she is a candidate.

12. The 2nd, 3rd, 4th, 5th and 6th semester examination shall be open to a regular student who:-

- i) has attended not less than 75% of lectures in the respective semester;
- ii) has been on the rolls of the Institute during the semester preceding the respective semester examinations;
- iii) has obtained pass marks in the internal assessment in the papers of the relevant semester of which he/she is a candidate.
- iv) has passed atleast 50% of the written papers in the preceding semester examinations.

13. The VIIIth Semester Examination shall be open to a regular student who:-
- i) has completed Module-One of the 5-year Integrated M.B.A. programme;
 - ii) has been on the rolls of the Institute during the VIIIth Semester;
 - iii) has obtained pass marks in the internal assessment in the papers of the relevant semester of which he/she is a candidate.
14. The 8th, 9th and 10th Semester Examinations shall be open to a regular student who:
- i) has attended not less than 75% of the lectures in the respective semester;
 - ii) has been on the rolls of the Institute during the semester preceding the respective semester examinations;
 - iii) has obtained pass marks in the internal assessment in the papers of the relevant semester of which he/she is a candidate.
 - iv) has passed atleast 50% of the written papers in the preceding semester examinations.

Explanation:

50% of 7 papers will be taken as 4:

15. The seats found vacant in the programme in the VII semester shall be filled as per the procedure laid down by the Institute's Committee of the Faculty.
16. The medium of instruction and the examination shall be English.
- 17.(a)The minimum percentage of marks to pass the examination in each semester will be
- i) 40% in each written paper and internal assessment separately;
 - ii) 40% in external and internal evaluation in case of Training Report;
 - iii) 40% in Viva-Voce Examination;
 - iv) 50% in the aggregate in each semester examination.

- (b) A candidate who has completed the prescribed course of instruction in the Institute for any semester examination but does not appear/re-appear in the concerned paper(s) or having appeared fails, may be allowed, on the recommendations of the Director of the Institute to appear/re-appear in the concerned paper(s) as the case may be at the next-supplementary special examination and the next regular examination when as such examination is held, without attending the classes. While re-appearing in the examination, the candidate shall be exempted from re-appearing in the paper(s), project Report, Viva-Voce in which he has obtained atleast 50% marks including the marks for Internal Assessment, where prescribed, such a candidate, in the mean time, may prosecute his studies for the next higher semester(s) and appear in the examination(s) for the same along with the examination for lower semester(s). If a candidate fails to pass in any semester examination even in the 3rd chance as mention above, he may be allowed one additional chance on valid reasons to appear in the examination, when held. If the candidate still fails to pass, he will have to repeat the paper(s) concerned as a regular student in the Institute whenever, the relevant paper(s) are offered in future. Such repetition shall be allowed only once in the concerned paper(s).
- c) Provided that a candidate shall have to secure at least 40% marks separately as well as jointly with internal assessment in not less than 50% of the written papers prescribed in that semester failing which he shall not be permitted to continue his studies for the next higher semester and shall be required to repeat all paper(s) or the concerned semester as a regular student as and when these paper(s) is/are offered. In such a case, the repetition of paper(s) will be allowed only once.
18. The amount of examination fee to be paid by a candidate for each semester examination shall be Rs. 100/- for full papers, Rs. 110/- for special and supplementary examinations.
19. A candidate whose result is declared late without any fault on his/her part, may attend classes for the next higher semester provisionally at his on risk and responsibility, subject to his/her passing the concerned semester examination. In case, a candidate fails to pass the concerned semester examination, his/her attendance/internal assessment in the next higher semester in which he was allowed to attend classes provisionally will stand cancelled.

20. The internal assessment awards of a candidate fails in any semester examination, shall be carried forward the next examination provided that a candidate who has obtained the pass marks in the internal assessment of any paper(s) will not be allowed to take examination in the said paper(s) in the relevant semester unless he/she repeats the course in the paper(s) concerned and obtains minimum pass marks in internal assessment.
21. As soon as possible, after the termination of the semester examination, Controller of examinations shall publish a list of the candidate who have passed the semester examination.
22. Every student of MBA shall be required undergo a practical training in an organisation approved by the Institute for eight weeks normally in the summer vacation after the end of the eight semester examination.

The candidate shall be required to have an exposure of the actual functioning of the organisation concerned and complete the specific project of his/her training. The work done by the candidate during the period of training shall be submitted in the form of a Training Report. The candidates shall be required to submit three copies of the Training Report type-written in double space in the office of the Controller of Examinations through the Director, IMSAR. The last date for the receipt of Training Report in the office of the Controller of Examinations shall be one month after the date of completion of training provided that in exceptional cases, the Vice-Chancellor on the recommendation of the Director, IMSAR may extend the last date of the receipt of the training report.

The report shall carry 100 marks and the evaluation shall be done as under :-

- i) External evaluation consisting of 50 marks will be undertaken by the External Examiner to be appointed by the Vice-Chancellor on the recommendations of Board of Studies in Management Sciences.
- ii) Internal evaluation consisting of 50 marks will be based on presentation of training report by the candidate before the Faculty Members of the Institute. The marks will be awarded by a Board of three examiners to be appointed by the Director of the Institute from out of its faculty.

23.
 - i) Each student will be required to undertake the course on Project Report in Xth Semester. The topics for these projects will be assigned and approved by the Director, IMSAR in consultation with the supervisor in the meeting of Committee of Institute's Faculty.
 - ii) Each candidate will have to submit three copies of the Project Report in the office of the Director, IMSAR atleast one month before the commencement of the 10th semester examination. Provided that, in exceptional caases, the Vice-Chancellor may, on the recommendations of the Director, IMSAR, extend last date of receipt of the Project Report.
 - iii) Each report will be evaluated jointly by one internal examiner and one external examiner to be appointed by the Vice-Chancellor on the recommendations of the Director, IMSAR. In case, the difference in marks awarded by them is less than or equal to 30% of the maximum marks, the average of the two will be taken as final awards. In case the difference is more than 30% of the maximum marks, the Project Report will be sent to a third examiner who will be appointed by the Vice-Chancellor on the recommendations of the Director, IMSAR. The awards given by the third examiner will be taken as the final awards.
 - iv) The marks obtained by the candidate in the Project Report will be taken into account when he/she appears in any future examination.
24. The Viva-voce Examination shall be conducted by a Board of Examiners to be appointed by the Vice-Chancellor on the recommendations of the Director, IMSAR, comprising of the following members:-
 - a) Director, IMSAR
 - b) One External Academician pertaining to the discipline of Management;
 - c) One Business Executive/Administrator from reputed Organisation.50% of the members i.e. 2 members shall from the quorum.

25. The list of successful candidates after the sixth semester examination shall be arranged, as under in two divisions on the basis of the aggregate marks obtained in his Bachelor's Degree of Business Administration:
- a) those who obtain 60% or more marks First Division
 - b) those who obtain 50% or more marks Second
but less than 60% Division
 - c) Candidates who pass all the six semester examinations at the first attempt obtaining 70% or more marks of the total aggregate shall be declared to have passed with distinction.
26. The list of successful candidates after the 10th semester examination shall be arranged as under, in two divisions on the basis of the aggregate marks obtained in the VII, VIII, IX and X Semesters examination taken together and the division obtained by the candidate will be stated in his degree of Master of Business Administration :-
- (a) those who obtain 60% or more marks First Division
 - (b) those who obtain 50% or more marks but Second
less than 60% marks Division
 - (c) Candidates who pass all the four semester examinations at the first attempt obtaining 70% or more marks of the total aggregate shall be declared to have passed with distinction.
27. No improvement facility shall be provided to students of Five Year Integrated MBA Programme. However, the grace marks will be allowed as per University rules.
28. Notwithstanding the integrated nature of this course which is spread over more than one academic year, the ordinance in force at the time a student joins the course shall hold good only for the examination held during or at the end of the academic year and nothing in this ordinance shall be deemed to debar the University from amending the ordinance and the amended ordinance, if any, shall apply to all student whether old or new.

Course Contents

- Unit-1 Changing Scenario of Business, Globalization: Business dealings under different Cultural backgrounds, Factor in International Management, Impact of Cultural Differences for Managerial Behaviour and Personnel Practices, Behavioural Issues in Joint Ventures, Mergers, Acquisition and Technical Collaborations.
- Unit-2 Organization Systems : Similarities and Variations, Cross-national Differences in Personnel & Organisations and Managers and Management in USA, Japan, UK, Germany, South East Asian Countries.
- Unit-3 Evolution of Business Norms, Work Ethics, Managerial Values, Socio-cultural Environment Cultural Alliance & Cultural Shocks, Psychological and Social Adjustments, Analysing and Diagnosing Cultural Differences, Work Values, Cultural Symbols.
- Unit-4 Managing Global Personnel : Global Staff-Recruitment, Selection, Repatriation, Transfer, Designing Global Staff Policies, Training and Development of Global Staff, Role of Women in Global Management, Compensation and Appraisal of Global Staff.

Suggested Readings : The list of books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the question paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 Questions in all selecting atleast one Question from each unit. The 5th Question can be attempted by them from any of the 4 Unit.
3. If a case study is included in the Question Paper, it will carry marks equivalent to 2 Questions. If a candidate attempts case study he/she will be required to attempt four Questions, in all, including the case study.

INDUSTRIAL DISPUTES & DOMESTIC ENQUIRIES
mba 2312/ ptmba 3312/imba 5312

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : To develop an understanding about the nature and causes of Industrial Disputes and carrying out of Domestic Enquiries.

Course Contents

- Unit-1 Object & Scope : Authorities for investigation and settlement of Industrial Disputes. Powers of Government, Instruments of Economic Coercion, Strike, Picketing, Gherao, Lock Outs, Unfair labour Practices.
- Unit-2 Layoff, Management's right to layoff, Retrenchment : Employers Obligation and duties in retrenching employees, closure : Employer's right to close down, Procedure, Compensation to workman in case of Closing down of the undertaking.
- Unit-3 Misconduct in Employment, Charge Sheets for Misconduct, Suspension, right to suspend an employee and payment of Suspension Allowance.
- Unit-4 Domestic Enquiries : Purpose & Scope: clarifications on Domestic Enquiry, Appointment of an Enquiry Officer, Intimation to workman, Rights of workman in a domestic Enquiry, Evidence in Enquiry, Enquiry Report, Punishment.

Suggested Readings :

The list of the Books: Cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question Paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each Unit. The 5th question can be attempted by them from any of the 4 Units.

3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

LABOUR ADMINISTRATION

mba 2313/pt mba 3313, imba 5313

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : To acquaint the participants about the vital Provisions of important Industrial and Labour Laws which govern the functioning of the Industrial Enterprises. Welfare and Social Security aspects of the Labour Force engaged in these enterprises.

Course Contents

- Unit 1 Industrial Disputes Act, 1947; Industrial Employment (Standing Order) Act; Trade Unions Act, 1926.
- Unit 2 Legal and Conceptual Framework of Social Security: The Workmen's Compensation Act, 1923; Equal Remuneration Act, 1976. Employees State Insurance Act, 1948; The Employees Provident Funds and Miscellaneous Provisions Act 1952.
- Unit 3 The Payment of Gratuity Act, 1972; The Maternity Benefit Act, 1961; Payment of Bonus Act 1965.
- Unit 4 Personal Injuries (Compensation) Act 1963; Contract Labour (Prohibition & Regulation) Act 1986; Child Labour (Prohibition and Regulation) Act 1986; The Apprentice Act, 1961.

Suggested Readings : The list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting atleast 2 questions from each unit.

2. The candidates will be required to attempt 5 Questions in all selecting atleast one Question from each Unit. The 5th Question can be attempted by them from any of the 4 Units.
3. If a case study is included in the Question Paper, it will carry marks equivalent to 2 questions. If a candidate attempts 'case study,' he/she will be required to attempt four Questions in all including the case study.

MANPOWER DEVELOPMENT FOR TECHNOLOGICAL CHANGE

mba 2314/pt mba 3314/imba 5314

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : This Course aims to focus on issues and Strategies required to Develop Manpower Resources and to Interface Technological Changes and Manpower Development.

Course Contents :

- Unit-1 Status of Manpower in India: Changing Trends in Work Environment: Manpower Profile.
- Unit-2 Characteristics and Role of New Technology : Managing Technological; Innovation; Matching Technological Development with the Manpower Planning.
- Unit 3 Strategic and Managerial Implications of New Technology: Impact of Technology on job Design, Job Description, Job Enrichment and Job Enlargement, Selection and recruitment, Training and Development Motivation, Systems, Performance Appraisal, Promotion, Transfer and Demotion.
- Unit 4 Methods and Techniques of Manpower Development! Quality of Work, Life and Productivity.

Suggested Readings : The list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting at least 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, He/she will be required to attempt four questions, in all, including the case study.

OPERATIONS RESEARCH

mba 2401 ptmba 3401 imba 5401

External Marks : 75

Internal Marks : 25

Duration of Exam. : 3 Hours

Objectives : The Course is designed to acquaint the student to the Principles of the Operations Research Techniques and their application in decision making.

Unit-1 Overview of Operations Research : Concept: Evolution and Mechanism of Operations Research. Models used in Operations Research.

Unit-2 Linear Programming : Solution of Linear Programming Problem by Simplex method. Duality in Linear Programming. Sensitivity and post optimality analysis. Integer Programming; Goal Programming, Dynamic Programming.

Unit-3 Net Work Analysis : Introduction to PERT CPM, Computation of Critical Path EST EFT LST & LFT and Float. Time Cost considerations, Resource Allocations and Levelling. Probability Considerations in PERT Analysis.

Unit-4 Reliability Theory and Replacement Models : Application of Simulation in forecasting. PERT and Inventory Decisions.

Suggested Readings : The list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the question paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all, selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempt case study, he/she will be required to attempt four questions in all, including the case study.

PRODUCTION PLANNING AND CONTROL

mba 2402/ptmba 3402/imba 5402

External Marks : 75

Internal Marks : 25

Duration of Exam. : 3 Hours

Objectives : This Course is to develop an understanding among students in respect to the Mechanism of Production Planning and Control and its role in reducing the Production costs.

Course Contents

- Unit-1 Production Planning and Control : Meaning, Importance Objectives, Elements and Procedure; Demand Forecasting.
- Unit-2 **Aggregate Planning** : Meaning and Techniques; Master Production Scheduling; Assembly Line Balancing, Sequencing and Assignment Problems.
- Unit-3 Production Planning and Control for Intermittent and Continuous Production System : Planning and Control of Projects; Just in Time Production Systems; Job Shop Planning and Control Systems.
- Unit-4 PPC and Inventory Control; Role of PPC in Optimum Resource Utilization and Reducing Production Costs; Planning and Scheduling Service Operations.

Suggested Readings :

Charrey SN 1995 Theory and Problems in Production and Operations Management. Tata McGraw Hill Pub. N. Delhi. Charrey, SN 1996 'Production and Operations' Mgt. McGraw. Gaither, Norwan 'Production and Operations Mgt. 'The Dryden Press, Florida.

Buffa, Elwood S. & Taubert WH 'Production Inventory Systems 1994 Richard D Irwin, Homewood (Illinois).

Caubang, Tad C. 'Readings on Production Palinning and Cont. of' ILO Geneva.

Green James H 'Production & Inventory Control Handbook' Mc Grow Hill. New York.

Beside the above the list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting at least 2 questions from each unit.
2. The candidates will be required to attempt 5 Questions in all selecting atleast one Question from each Unit. The 5th Question can be attempted by them from any of the 4 Units.
3. If a case study is included in the Question Paper, it will carry marks equivalent to 2 Questions. If a candidate attempts case study, he/she will be required to attempt four Questions, in all, including the case study.

MATERIALS MANAGEMENT

mba 2403 pt mba 3403 imba 5403 External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : To acquaint the students with Decision Making in Effective Purchase Storage and Flow of Materials in Manufacturing and Service Organization. The Course is to emphasize on Cost Reduction Techniques in Pre-Purchase, Purchase, Post-Purchase, Storage and Disposal System.

Course Contents :

- Unit-1 Role of Purchasing and Materials Management, Objectives of Organization, Materials Requirement Planning (MRP): Significance and Position of Materials Management in an Organization.
- Unit-2 Importance, Objectives and Function of Purchasing: Purchase Procedure, Forms and Records: Types of Purchasing: Quality Descriptions and Specifications: Make or Buy Decisions.
- Unit-3 Sources of Supply : Information and Development: Sources of Supplier Information: Buying Locally, Nationally, Internationally, Manufacturer, or Distributor Evaluating Potential Supplier: Principles of Pricing.
- Unit 4 Functions and Types of Inventories, EOQ, Model and ABC Analysis: JIT and MRP Inventory Systems: Two Bin System Responsibility of Receiving and Stores: Storage Methods and Equipments Receiving Procedure and Control: Codification Simplification and Standardisation: Value Analysis.

Suggested Readings :

Ammer, Dean S. "Materials Management and Purchasing" 1982, Richard D. Irwin, Homewood (Illinois).

Dobler, D.W. and Burt D.N. "Purchasing and Supply Management" 1996 MacGraw Hill Publishing Co., New Delhi.

Datta A.K. "Integrated Materials Management" 1986 Prentice Hall of India, New Delhi.

Gopalkrishnan, P. and Suadarshan M. Material Management 1995 Prentice Hall of India, New Delhi.

Besides the above the list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting at least 4 questions from each unit.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the four units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

**QUALITY, RELIABILITY AND MAINTAINABILITY
MANAGEMENT**

mba2404 / ptmba 3404 / imba 5404

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : The Course is intended to impart advanced knowledge and Practical Applications of related Concepts of quality, Reliability and Maintainability in order to Emphasize on total Product Assurance.

Course Contents

- Unit-1 Basic Concept of quality of Design, Conformance and Performance; Components of a Total Quality Control Approach; Quality Circles; Zero Defect Programmes, World Class Systems Management (WCSM).
- Unit-2 Stat. Quality Control (SQC) : Role of attitudes and Variables Acceptance Sampling and OC Curve; Quality Control Charts; Concept of Natural Process Tolerance; Process Control and outgoing quality and its Audits, International Quality Standards: ISO 9000 Series.
- Unit-3 Maintenance : Nature, Significance Objectives and Types; Preventive Versus Break Down Maintenance Elements of Preventive Maintenance Programme, and Total Production Maintenance; Optimum Maintenance Policy; Application of Queing Theory in Maintenance
- Unit-4 Concepts of Re-liability, Maintainability and Availability, Product Reliability Programme, Series and Parallel Systems for Reliability, Failure Analysis, Optimum Stand by Machines and Maintenance Crew Size.

Suggested Readings :

Charrey S.N 1995 Theory and Problems in Production and Operations Management. Tata Mc Grow Hill Pub. N. Delhi

Charrey SN 1996 Production and Operations Mgt Tata Mc Grow Hill Pub. New Delhi. Gaither, Norman Production and operation Management 1994, The Dryden Press. Carruba ER Gorden RD 1991 Product Assurance, Principles.

Design Assurance and Quality Assurance Mc Grow, Ireson. WG and Coombs CF Handbook of Reliability Engg. Mc Grow and Quality Circle Forum of India 'Excellence Through Participation : Quality the Only Way' 1991 QCFI Hyderabad. Besides the above, the list of the books cases and either specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the question paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all, selecting atleast one question form each unit. The 5th question can be attempted by them from any of the 4 units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

STATISTICAL DECISION THEORY

mba 2405/ptmba 3405/imba 5405

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : This Course is designad to develop an understanding about the Managerial Decision Making under certainty and uncertainty and employing the concept of probability in Solving Business Problems.

- Unit-1 Business Decisions. Decision and Probability, Model Building Techniques, Conditional, Marginal and Joint Probability Addition Multiplication and Bayes Theorems Probability trees, Random Variable and Probability Distributions. Mean and Variance of a Random Variable.
- Unit-2 Basic Concepts of Decision Making and Decision Theory Certainty and Uncertainty in decision Making, Condition Value, Expected Monetary Value, Expected Opportunity loss, Expected Value of Perfect Information, Decision Tree Analysis, Decision Criterion, Bayes Decision rule, Decision Making using Certainty Equivalents.
- Unit-3 Decision Making Using Experimental and Sample Information : Prior and Posterior analysis of the decision Decision Making using Strategies, Decision Making with Prior and posterior analysis, Decision Making with sample mean. Decision Theory and Traditional Statistics.
- Unit-4 Decision Making Using Normal Distribution : Normal Probability distribution and tables, Normal Prior Probabilities and the value of Information, Structure of Decision making the normal distribution and Using opportunity losses, Revision of prior probabilities.

Suggested Readings :

Lapin, Lawrence L. 'Quantitative Methods for Business Decisions', 1994 Dryden Press, USA. Bearman, Holder, Banini CP and Hasman WH 'Quantitative Analysis for Business Decisions' 1973.

Besides the above the list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the question paper selecting atleast 2 questions from each unit.

- 2 The candidates will be required to attempt 5 questions in all selecting atleast one Question from each Unit. The 5th Question can be attempted by them from any of the 4 Units.
- 3 If a case study is included in the Question Paper it will carry marks equivalent to 2 Questions. If a candidate attempts case study, he/she will be required to attempt four Questions. in all, including the case study.

TRANSPORTATION MANAGEMENT

n/b: 2406 ptmba 3406 imba 5406

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : The focus of this Course is to acquaint the students with the problems faced in Planning, Policy executing the Transportation System.

Course Contents :

- Unit-1 Growth of Organization and Problems of Transportation : Transport—Challenges and Limitation, Government Activities in Transportation.
- Unit-2 Transportation Systems Planning, Operation and Management, Trip Generation and Distribution, Load Planning.
- Unit-3 Transportation Modes and their Selection, Sequential Trouble, Demand Forecasting Models.
- Unit-4 Future Developments in Transportation, Moto Vehicle Act 1988 and its Impact on Urban Transport System.

Suggested Readings- The list of the books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the course.

Note :

1. The External Examiner will set 8 questions in the Question Paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 Units.

3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

GOAL PROGRAMMING AND MANAGEMENT

mba 24/7 ptmba34/7/imba 5407

External Marks : 75

Internal Marks : 25

Duration of Exam. : 3 Hrs.

Objectives : This Course intends to acquaint the students with the Concepts, Solution Methods and Applications of Goal Programming to real Life-Problems.

Course Contents :

- Unit-1 Decision Analysis-Goal Programming : Formulations, Graphical, Simplex Methods Integer Goal Programming, Post-Optimal Sensitivity Analysis.
- Unit-2 Parametric Goal Programming: Goal Programming under Uncertainty.
- Unit-3 Application of Goal Programming in Functional Areas of Management including Public Utilities; Medical Care Planning; Research and Development.
- Unit 4 Implementation of Goal Programming; Introduction to Some Application Softwares such as SAP, People Soft and Oracle Financials.

Suggested Readings : The list of books, cases and other specific reference including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course

Note:

1. The External Examiner will set 8 questions in the question paper selecting at least 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units.

3. If a case study is included in the question Paper, it will carry marks equivalent to 2 questions. If candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

SYSTEM ANALYSIS AND DESIGN

mba 2408/ptmba 3408/imba 5408

External Marks : 75

Internal Marks : 25

Duration of Exam. 3 Hours

Objectives : The Course is bent to develop an understanding of Systems Approach to Business Data Processing and Familiarize the students with Basic Tools and Techniques of analysing, Designing and Developing Data Processing Systems with the state of the Art Technology.

Course Contents

- Unit-1 Introduction to Structured Programming: Programming Languages for Development of Data Processing Systems: Programme Development Methodology: Logic Flow Charting: Documentation of Programmes: Coding, Debugging and Walk Throughs: File Design and Record Designing.
- Unit-2 Systems Analysis and Designing: System Development Cycle: Tools for Analysis of Computer Based Data Processes. Need for a Structured Approach; Data Flow Diagramme Expansion, Explosion and Normalization: Design of Input and Output Definitions; System Documentation-its Role and Types: Tools for Documentation: Updation of Documentation.
- Unit-3 Management of System Analysis and Design; Various Problems faced during Analysis and Design: Acceptance Testing for Systems; User Involvement.
- Unit-4 Managing Data Processing in an Organization; Data Processing Setup Project Management Techniques for Managing Software Projects: Computer Hardware and Software Selection: Control, Audit and Security of Systems.

Suggested Readings : The list of books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note : 1 The External Examiner will set 8 questions in the Question paper selecting atleast 2 questions from each unit.

2. The candidates will be required to attempt 5 Questions in all selecting atleast one Question from each unit. The 5th Question can be attempted by them from any of the 4 Units.

3. If a case study is included in the Question Paper, it will carry marks equivalent to 2 Questions. If a candidate attempts case study, he, she will be required to attempt four Questions, in all, including the case study.

TECHNOLOGY MANAGEMENT

mba 2409 ptmba 3409, imba 5409

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : To acquaint the students about the various Aspects of Technology viz. the Environment, Forecasting, Generation and Development etc. which help them in understanding the importance of Technology in the present day scenario.

Course Contents

Unit-1 Meaning, Role and Importance of Technology Management, Technological Management in India, Technological Change, Transformation and Alternatives. Technology Policy & Planning. Technology and Socio-Economic Planning and Techniques.

Unit-2 Need and Role of Techniques of Technology forecasting. Technology Generation and Development, Models and Routes of Technology Transfer, Pricing of Technology, Technology Transfer Arguments, Government's Role in Technology Transfer.

Unit-3 Concepts and constraints in technology Absorption; Technology Impact and Absorption in India, Benefits & Future thrust: Concept, Methods and Management of Technology Assessment, Technology Evaluation, Concept Importance and major issues in diffusion: Developing a Diffusion Strategy.

Unit-4 Development of Science and Technology in India. R & D Infrastructure and Industrial Research; Foreign Collaboration; Science and Technology Policy; Industrial, Trade and Education Policies, Technology support and modernisation in Small Scale Sector; National and International S & T Institutions; Trade Agreements and Industry Association; Venture Capital and Technology Upgradation.

Suggested Readings : Dodgeon. Mark-1989 Technology Strategy and the Firm : Longman Pub., UK. Sharif, Nawaj-1986 'Technology Policy Formulation and Planning' A Reference Manual, AP CTF Bangalore.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit, The 5th questions can be attempted by them from any of the four Units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions in all, including the case study.

MANAGEMENT OF OBSOLESCENCE OF STORES AND SPARES

mba 2410/ptmba 3410/imba 5410

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours

Objectives : To acquaint the students in respect to the Management Obsolescent Stores and Management of Spares.

Course Contents

- Unit-1 Obsolescent Stores, Inactive Item and Scrap-Their Arising, Management Control and Disposal; Costs of Obsolescence and Remedies.
- Unit 2 Arising of Scrap. Survey and Condemnation of Plant Equipment and Machines; Return of Scrap and Condemned Stock. Their Accounting and Disposal; Invitation of Sale Tenders; Disposal through Auctions: Auctioneering Contract, Conducting of Auctions; Terms and Conditions of Auction Sales and their Accounting.
- Unit-3 Nature and Types of Spares in the Context of Business and non Business Organizations; Problems related to Spare Parts Management Piling up of out dated spares; Accounting Standards and the Real Life Accounting Practices in respect to outdate Spares.
- Unit-4 Management of Spares : Nature, Objectives and Measure Techniques

Suggested Readings : The list of books, cases and other specific references including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the Question paper selecting at least 2 questions form each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units.
3. If a case study is included in the question paper, it will carry marks equivalent to 2 questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

APPLIED INFORMATION TECHNOLOGY

mba 2501/ptmba 3501/Imba 5501

External Marks : 75

Internal Marks : 25

Time : 3 hours

Unit 1 Introduction Data Base Management Systems :

Various types of Data Base organisations. Series of generation languages, SQL.

Unit 2 Data integrity, data security, concurrent operations: role of DBMS in integrated MIS.

Unit 3 Artificial intelligence and expert systems: knowledge representation: applications of expert systems in business NLP: Pattern recognition and Image processing.

Unit 4 DSS and their use in business: Comparison of DSS and MIS systems: Components of DSS; Development of DSS in an organisation.

Note 1. The External Examiner will include 8 questions in the Question Paper selecting atleast two from each unit. In case a Case Study is included it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units. In case a student attempts a Case Study, they will be required to attempt 4 questions in all.

3. The internal assessment will be carried out by the concerned teacher on the basis of practical.

SOFTWARE ENGINEERING

External Marks : 75

Internal Marks : 25

mba 2502/ptmba 3502/imba 5502

Time 3 hours

Unit 1 Concept of software engineering, software characteristic, software metrics and models : process and product metrics, size metrics (Mc Cabe's Cyclomatic complexity), Halstead theory, function point analysis.

Unit 2 Software development. Phases, process models, role of metrics and measurement, software quality factors, cost estimations, COCOMO, Project scheduling, quality assurance plans, project monitoring plans.

Unit 3 System Design. Design objectives, effective modular design (functional independence, coupling, cohesion), design tools and techniques, prototyping, structured programming.

Unit 4 Coping. Verification, monitoring and control. Testing. Testing fundamentals, test case design, functional and structural testing, test plan, activities during testing, unit and integration testing.

Note 1 The External Examiner will include 8 questions in the Question Paper selecting atleast two from each unit. In case a Case Study is included, it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units. In case a student attempts a Case Study they will be required to attempt 4 questions in all.

3. The internal assessment will be carried out by the concerned teacher on the basis of practical.

DATA BASE MANAGEMENT SYSTEMS

mba 2503 pt mba 3503/imba 5503

External Marks : 75

Internal Marks : 25

Time : 3 Hours

Unit-1 Concept of data base: Objectives of data base: Advantages and disadvantages of data base: entities and attributes: schema and subschema.

Unit-2 Data Models : Relational, hierarchial; and network; Normalization: Functions of data base management system, SQL, E-R Model.

Unit-3 Data Independence : Logical and physical: Data base administration: Data Compaction.

Unit-4 Satellite based information network: awareness with the equipment and methodology: use of various equipment.

Note :

1. The External Examiner will include 8 questions in the question paper, selecting atleast two from each unit. In case a Cases Study is included, it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each Unit. The 5th question can be attempted by them from any of the 4 Units. In case a student attempts a Case study they will be required to attempt 4 questions in all.
3. The internal assessment will be carried out by the concerned teacher on the basis of practical.

STRATEGIC INFORMATION SYSTEMS

mba 2504/pt mba 3504/imba 5504

External Marks : 75

Internal Marks : 25

Duration of Exam. : 3 hrs

Objectives : The Information age has generated an explosion of Information and Technology. Hence, this Course is intended to sharpen the skills necessary to seize the pace towards emerging out of this explosion.

Course Contents

- Unit 1 Introduction : Discovering a Problem and Opportunities; Developing the necessary Frame Work; Setting Goals and Striving for results.
- Unit 2 People and Information Proficiency : Understanding Information Age; Changes to Organizations and Developing Information Proficiency; Measuring and Analysing Information Proficiency; Implementing Information Proficiency Enhancement Programmes.
- Unit 3 Information Resources Management : Understanding Information, Managing Information as a Resource; Energizing the Information Resources Community : Awareness, Assessment, Activation and Achievemens.
- Unit 4 Information Systems and Technology : Re-engineering Information Systems Projects; Anticipating and Measuring the Benefits of Projects; Ensuring Information, Proficient Information Systems; Anticipating New Technology; Acquiring Technology and Services; Putting It together.

Suggested Reading :

Information Proficiency by Thomas J. Bukwitz Van Nostrand Reinhold, New York 1995. Beside this the list of the Books, Cases and other specific reference including recent articles will be announced in the class by the concerned teacher at the time of launching of the Course.

Note :

1. The External Examiner will set 8 questions in the question paper selecting atleast 2 questions from each unit.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 Units.
3. If a case study is included in the question paper, it will carry marks equivalent to two questions. If a candidate attempts case study, he/she will be required to attempt four questions, in all, including the case study.

COMPUTER NETWORKS & INTERNET

mba 2505/pt mba 3505/imba 5505

External Marks : 75

Internal Marks : 25

Time : 3 Hours

- Unit-1 Compter Networks, Concepts of data transmission, data carriers, half duplex and full-duplex transmission, MODEMS, ATM and synchronous transmission mode, fundamental of communication theory, Shannon Hartley Theorem, channel speed and bit rate, bandwidth and frequency spectrum, time division multiple access system, network components, network topology-bus, star, ring, mesh, hybrid.
- Unit-2 Reference Models. OSI and TPC/IP reference models: introduction to layers. cryptography.
- Unit-3 Internet Begining and current state. hardware and software requirement, ISP and internet accounts, web-home page URL, browser, security, searching tools and search engine, e-mail, FTP, Gopher, Telnet.

Unit-4 Web-authoring using HTML, creating a web page, methods of linking, publishing HTML, text formatting and alignment, font control, arranging text in lists, images on web page, backgrounds and colour control, interactive layout with frames

Note :

1. The External Examiner will include 8 questions in the question paper, selecting atleast two from each unit. In case a Case Study is included: it will carry marks equivalent to two questions.
2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each Unit. The 5th question can be attempted by them from any of the 4 Units. In case a student attempts a Case Study they will be required to attempt 4 questions in all.
3. The internal assessment will be carried out by the concerned teacher on the basis of practical.

ARTIFICIAL INTELLIGENCE

mba 2506/pt-mba 3506/imba 5506

External Marks : 75

Internal Marks : 25

Time : 3 Hours

Unit-1 Application areas of artificial intelligence, Solving problems, State space search, Breadth first search, depth first search.

Unit-2 Heuristic search techniques: Generate and test, Hill climbing, Best first search, Problem reduction, Constraint satisfaction. Mean-end analysis.

Unit-3 Knowledge representation: Predicate logic, Resolution in predicate logic, Semantic nets, Frames, Conceptual dependency.

Unit-4 Symbolic reasoning under uncertainty, Learning, Introduction to NLP and Neural networks.

Note :

1. The External Examiner will include 8 questions in the Question Paper selecting atleast two from each unit. In case a Case Study is included, it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all, selecting atleast one question from each unit. The 5th questions can be attempted by them from any of the 4 units. In case a student attempts a Case Study they will be required to attempt 4 questions in all.
3. The internal assessment will be carried out by the concerned teacher on the basis of practical.

IT IN STRATEGIC MANAGEMENT

mba 2507/ptmba 3507/imba 5507

External Marks : 75

 2. Emphasis will be on the Operational use of the available Recommended Software Packages in the area of HR Management.
 3. The candidates will be required to attempt 5 Questions in all selecting atleast one Question from each Unit. The 5th Question can be attempted by them from any of the 4 Units.
 4. If a case study is included in the Question Paper, it will carry marks equivalent to 2 Questions. If a candidate attempts case study, he/she will be required to attempt four Questions, in all, including the case study.

OBJECT-ORIENTED PROGRAMMING

Code: 2512/imba 5512

External Marks : 75

Internal Marks : 25

Time : 3 hrs

- Unit 1 Object-Oriented Concepts.** Object and classes, links and associations, inheritance and multiple inheritance, grouping constructs, polymorphism, encapsulation
- Unit 2 Object-modeling,** dynamic modeling, functional modeling, object-oriented system development.
- Unit 3 C++ Language.** Classes and objects, functions, constructors and destructors, overloading and type conversions, inheritance.
- Unit 4 Extending** classes, pointers, virtual functions and polymorphism, input-output operations.

Note :

1. The external examiner will include 8 questions in the question paper, selecting atleast two from each unit. In case, A Case Study is included, it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units. In case a student attempts a Case Study they will be required to attempt 4 questions in all.
3. Questions to write programs should not be included.
4. The internal assessment will be carried out by the concerned teacher on the basis of practical.

**ADVANCED COMPUTER NETWORK AND WEB
PROGRAMMING**

mba 2513/imba 5513

External Marks : 75

Internal Marks : 25

Time : 3 hrs.

Unit 1 **Layered** protocols, Character and bit protocols, Binary synchronous control, HDLC, SDLC, LANs, IEEE standard-IEEE 802.5 Token ring, Token bus), IEEE 802.4 and 802.3 (Ethernet), MANs DQDB.

Unit 2 **Message** switching, Packet switching. ×25 protocols, Routing and flow control, TCP IP reference model, Introduction to ATM and ISDN.

Unit 3 **Programming** through JAVA : JAVA history, JAVA features, JAVA and Internet, JAVA and WWW, Hardware and software requirements, JAVA environment, Program structure, JAVA tokens, JAVA virtual machine, constants, variables and data types, operators and expressions, decision making and branching, decision making and looping.

Unit 4 **Classes**, objects and methods, Interfaces, Packages, Managing errors and Exceptions.

Applet Programming : Local and remote Applets, Applets and Applications, Applet life cycle, Creating an Executable Applet, Applet tag, Passing parameters to Apples. Brief Overview of CGI Programming.

Note :

1. The External Examiner will include 8 questions in the question paper, selecting atleast wo from each unit. In case a Case Study is included, it will carry marks equivalent to two questions.

2. The candidates will be required to attempt 5 questions in all selecting atleast one question from each unit. The 5th question can be attempted by them from any of the 4 units. In case a student attempts a Case Study they will be required to attempt 4 questions in all.
3. The internal assessment will be carried out by the concerned teacher on the basis of practical.
4. Questions to write programs should not be included.

GOVERNMENT BUSINESS INTERFACE

mba 2601/ptmba 3601/imba 5601

External Marks : 75

Internal Marks : 25

Duration of Examination : 3 Hours
