Sub. Provisional Recognition

Dear Sir,

This has reference to your application to the Distance Education Council requesting for recognition of programmes offered through distance mode by your university.

We would like to inform you that your university has been granted provisional recognition for offering programmes (approved by the statutory bodies of your university) through distance mode for a period of one year w.e.f. the date of issue of this letter.

However, for recognition of your institution for offering programmes through distance mode in the next academic year i.e. from June-July, 2008, you are requested to submit a fresh application in the prescribed format developed by the DEC which may be downloaded from the DEC website: www.dec.ac.in.

We would also like to inform you that the DEC has decided not to insist on territorial jurisdiction to be followed by institutions in offering programmes through distance mode and on that matter universities should be governed by their own Acts and Statutes.

With regards,

Yours sincerely,

(SWARAJ BASU)

Sub: Post-Facto Approval to Maharshi Dayanand University, Rohtak Haryana - Reg.

Dear Sir,

This has reference to your application requesting for post-facto recognition of Distance Education Council for programmes offered through distance mode by the Directorate of Distance Education (DDE) of your university.

In this connection, we would like to inform you that based on the recommendations of the expert committee that visited your university, the Chairman, Distance Education Council has accorded post-facto approval to your university for programmes offered through distance mode with effect from 1st March, 1995 to academic year 2006-2007 as per the enclosed list at Annexure-I. Prior to March 1995, there was no system for giving recognition to correspondence courses or distance education programmes and therefore the issue of post-facto approval for such courses during that period does not arise. The certificates issued by the university stand automatically recognized if they were approved by the relevant authorities of the university. It may be noted that any degree/diploma/certificate offered through a franchising agency by the university does not have the approval of Distance Education Council.

Further, we would also like to inform that, it is the responsibility of the university to follow the norms prescribed by the concerned regulatory bodies or seek their recognition for professional/technical programme/s as per the requirements. Getting approval of concerned statutory apex body for relevant programme/s will be the sole responsibility of the university. The territorial jurisdiction for offering distance education would be as per the Acts and Statutes of your university.

With regards,

Yours sincerely,
