Agenda:

- To promote innovations and innovative culture in the University
- To explore the consultancy avenues for the University
- To tie-up with the industries for collaborative research and consultancy projects

Minutes of meeting: The council discussed regarding the promotion of collaborative research and consultancy projects to promote Innovation culture at University level under following categories:

1. **Capitalize on Conferences/ Seminars:** Conferences, seminars and conclaves may be planned at departmental level and innovation component should be added thereof. **Innovative idea session** has been recommended to be included during such events.
2. **Identification of Innovative Minds:** Students should be motivated at departmental level to promote innovation. Faculty need to identify the students/ researchers with innovative minds to promote innovative practices. The names of such innovative minds can be incorporated for innovative discussion in Institutional Innovation Council meeting.
3. **Theme reconsideration in respect of Minor Research Project under RK Fund:**
 - a. Dean Student's Welfare (DSW) office shall be requested to revise their notice to various departments of University regarding funding opportunities to conduct seminar/conferences and research projects in order to make them thematic and to focus on innovative ideas.
 - b. Intradisciplinary research project proposal submissions should be motivated and prioritized for funding.
 - c. DSW may be suggested to allocate special budget for Intradepartmental projects in future.

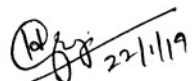

4. **Incubation Centre Approach:** There should be visits organized to various incubators to discuss infrastructure, financial and human resource requirements. This shall facilitate faculty wise incubation center may be establishment.
5. **Awareness about DI Centre:** The information about Drug Information (DI) Centre established recently by Department of Pharmaceutical Sciences should be circulated amongst the students and faculty of the University.

Dean Academic Affairs apprised the house that there is a need to strengthen the Patent filing, Entrepreneurship activities, Industrial collaborative research and Consultancy services at University level. There is an urgent need to expedite the promotion of innovative practices by exploring already existing reward opportunities for students as well as faculty members through various agencies.

The meeting ended with vote of thanks to the chair.
