Sub: - Blood Donation Camp on 04.04.2019

Sir/Madam

It is a well known fact that Blood Donation is a very simple and a painless procedure that can save one's life. There is no substitute of blood, only human blood can be used for a human in emergency to save one's life. As you are aware, Blood is used to restore person's blood volume after a surgery, an accident or during child birth, improve the immunity of a patient suffering from Cancer, Leukaemia or other diseases and to improve the blood ability to carry oxygen.

Keeping in view the importance of this life saving programme, Blood Donation programmes have been included in the activity calendar of Youth Red cross, M.D.U., Rohtak, which has been approved by the Y.R.C. Committee in its meeting held on 12.09.2018.

At present there is an acute shortage of Blood in Blood Bank Medical College Rohtak and Head of Blood Bank has requested to organize Blood Donation Camp to meet out the requirement of Blood for needy patients. Therefore, a Blood Donation Camp is being organised by Youth Red Cross M.D.U. Rohtak on 04.04.2019 at Youth Red Cross office (Room No. 104, Mechanical Block, and UIET Building). The camp will be inaugurated by some High Dignitary.

You are kindly requested to motivate the staff and students of your department for blood donation on 04.04.2019. It will be appreciated if you kindly send a list of tentative number of blood donors at the earliest possible so that proper arrangements for the camp could be made accordingly.

Please treat it as most urgent and acknowledge the receipt of this letter.

Thanking you

Yours sincerely

(Prof. Randeep Rana)
Programme co-ordinator
