

Respected Sir/Madam,

It is my pleasure to invite you to the **Student Solar Ambassador Workshop-2019** organized by 'Environmental Sustainability Management cell', M.D. University, on **02nd October, 2019 at 10:00 AM (Venue: Swaraj Sadan) to commemorate the 150th Birth Anniversary of Mahatma Gandhi**. In this workshop a hands-on training will be given to students to make their own 'solar study lamp'.

The ESM cell was established to promote environmental awareness in order to increase and encourage waste minimization, reuse and recycling. It also provides appropriate training for teachers, staff, students and other stakeholders on waste management issues. This Workshop is an initiative in this respect.

Your graceful presence at the inaugural ceremony will be a source of inspiration for the students and the participants from different regions of the country.

Looking forward to your kind presence.

Sincerely,

Coordinator, ESM cell

M. D. University
