World Animal Day

**World Animal Day
On
4th October 2019**

on
4th October 2019

INVITATION

The celebration of World Animal Day on 4th October unites the animal welfare movement, mobilizing it into a global force to make the world a better place for all animals. It's celebrated in different ways in every country, irrespective of nationality, religion, faith or political ideology to raise the status of animals in order to improve welfare standards around the globe. Through increased awareness and education we can create a world where animals are always recognized as sentient beings and full regard is always paid to their welfare.
