Maharshi Dayanand University, Rohtak named after the great social reformer, Maharshi Dayanand Saraswati is committed to promote inter-disciplinary higher education and research. Maharshi Dayanand Saraswati, the founder of the Arya Samaj, was one of the great social reformers of India. He was born in 1825 in Tankara, Gujarat. With an Indigenous orientation, he wanted to bring a new social, religious, economic and political order in India. Taking inspiration from the Vedas, he criticized evil practices like idolatry, caste system, untouchability, child marriage and gender inequality. He founded the Arya Samaj with the aim to promote noble ideas, which are universally true to humanity. Swami Dayanand ji vigorously advocated that all men and women have right to education and study Vedas. He always advocated truth and knowledge as enshrined in the following principles of Arya Samaj:

●   One should always be prepared to accept truth and reject falsehood.

●   One should always promote knowledge and dispel ignorance.

True to the ideals of great social reformer, Maharshi Dayanand University, Rohtak has continuously and consistently strived to inculcate the character building, dissemination of knowledge and dispel ignorance among its students through proactive teaching-learning and research.
