**(6<sup>th</sup> March 2020)**

*Organized By:*

**DEPARTMENT OF PHARMACEUTICAL SCIENCES,**  
**MAHARSHI DAYANAND UNIVERSITY**  
**ROHTAK, HARYANA, INDIA**  
**(NAAC Accredited 'A+' Grade University)**

## ABOUT THE UNIVERSITY

Maharshi Dayanand University, ab initio established as Rohtak University, Rohtak, came into existence by an Act No. 25 of 1975 of the Haryana Legislative Assembly in 1976 with the objective to promote inter-disciplinary higher education and research in the fields of environmental, ecological and life sciences.

The University campus, spread over an area of over 665.44 acres, is well laid with state-of-the-art buildings and presents a spectacle of harmony in architecture and natural beauty.

Maharshi Dayanand University, Rohtak has made rapid strides in all fields and emerged as a leading educational institution of the Country. Enjoying excellent track record in academics, research, literary and cultural activities, sports and social outreach, the university draws students from far and wide. During its four decades of existence, MDU has consistently set new benchmarks in higher education eco-system. The university was awarded 'A+' grade by NAAC in March, 2019 with an institutional score of 3.44. It has been placed at 90th rank among Indian universities by the Ministry of HRD, Government of India, under the NIRF Survey 2019. Besides, the university has topped in SWACHH CAMPUS Ranking 2018 conducted by the Ministry of HRD, Government of India, among the state-run Universities, and has been declared the Cleanest University of the Country. The university has 38 Post-Graduate Departments (UTDs), 11 faculties and one off-campus centre-M.D.U. - Centre for Professional & Allied Studies in Gurugram. The University has established several Honorary Chairs to conduct research on the lives and contributions of eminent and illustrious Indians in their respective spheres.

## ABOUT THE DEPARTMENT

Department of Pharmaceutical Sciences (Estd. 1995) is UGC-SAP and DST-FIST sponsored department. It has been placed at 32nd rank among the pharmacy institutions of India, and 1st in Haryana. It is now considered as one of the most prestigious department imparting pharmacy education and research in India. Pharmaceutical Department Offers Ph.D., PG courses in five specialization disciplines apart from B. Pharm. course. It enjoys the status of the most sought after department for admissions among the pharmacy aspirants.

It is equipped with sophisticated instruments like HPLC, HPTLC, GC, TGA analyzer, DSC, spray dryer, Lyophilizer etc. Department is actively engaged in research activities with research projects funded by UGC, DST, AICTE and AYUSH etc.

## ABOUT THE CONFERENCE

Herbal medicine and their preparation have been widely used from the thousand of years. They are also in great demand in the developed world for all health care problems, because of their efficacy, safety, and lesser side effects. The conference invites all the participants across the nation to attend and share their insights and convey recent developments in the field of Herbal medicines. The main objective of conference is to explore the potential in medicinal plants resources, to understand the challenges and opportunities for herbal Pharma industries in new decade. The AIM-2020 also organized to suggest recommendations based upon the present state of knowledge for the establishment and smooth functioning of the medicinal plants sector.

This meet will not only bring experts together from Industry and Academia but also discuss prime issues of employability and create a fusion pertaining

to the improvement in millennial generation as well as find possible solutions to bridge the gap.
