Thursday 23.07.2020 11.00AM to 2.00PM	SAGE Publications	Effective planning of research using Sage Research Methods, e-books and e-journals
Friday 24.07.2020 11.00AM to 2.00PM	Taylor & Francis	How to access Taylor &Francis e-books and e-journals subscribed by MDU

Who can join the Webinar Series?

Learning and research is the cornerstone of human development and publishers provide reliable and quality content through their innovative products and services. The webinar series is designed to assist teachers, researchers and students to produce the quality output in their respective field by knowing how to use the available e-resources. *This webinar series is meant only for MDU Teaching Faculty, Research Scholars, and Students*.

What will be covered in the Webinar Series?

The webinar series will not only make learners aware of our subscribed resources but also aware them how to use these resources to enhance their teaching and learning productivity. It will also make them aware of Reference management tools which are very convenient for effective content management.

How to join the Webinar Series?

The Webinar Series will be conducted online through the Cisco Webex platform. The event link will be provided to registered participants before commencement of the event. There are limited seats, therefore, the participants can join the event on *first come first served* basis.

Who will get the Participation e-Certificate?

E-certificates will be provided to all the participants who will register themselves for the webinar series by filling in online registration form link https://forms.gle/PtKHm1exA2SF8tK16. It is also mandatory to fill the feedback form provide by host every day after the event is over.
