About the Organizing Institutions

Deen Dayal Upadhyaya Centre of Excellence for Rural Development (DDUCERD) came into existence wide EC Resolution No. 29 dated 26.11.2016. It was created by the former Vice Chancellor, Prof. B. K. Punia, primarily because the then Cabinet Minister of Agriculture & Panchayats, Sh. Om Parksh Dhankar was interested in educating the elected representatives of the Panchayati Raj Institutions (PRIs). Thus, the logic behind the creation of this centre was to provide education regarding the Panchayati Raj Act and its related amendments to the elected representatives of the PRIs.

With the joint venture of Department of Panchayati Raj, Haryana Government, Haryana Institute of Rural Development, Nilokheri, and the Representatives from MDU, Rohtak, KU Kurukshetra, BPSMV Khanpur and HAU, Hisar, a syllabus was designed to start a Three-Month Certificate Course on Panchayati Raj and Rural Development. Then, the HIRD Nilokheri signed a MOU with each university and sent the required grant to the respective university except BPSMV Khanpur. This course was inaugurated by Hon'ble Agriculture & Panchayats Minister on May 01, 2017 in MDU Rohtak. Fifty Five elected representatives of PRIs participated in this course. However, later on the government took least interest in this regard. Resultantly, new batch could not be started.

Department of Public Administration came into existence in 1991 as a full-fledged independent department. Earlier it was a part of Political Science. Since its inception, it is actively engaged in conducting quality research and teaching. It is one of the most active and vibrant department in the faculty of social sciences. Today it runs multiple programmes viz. M.A.-Two Year Programme, M.A. (Hons.) Five Year Integrated Programme and Diploma in Rural Development & Panchayati Raj Programme, each with an intake of 50. In addition to this, it also runs M.Phil/Pre-Ph.D and Ph.D Programmes. The M.A. (Hons.) Five Year Integrated Programme is being run on professional lines with the provision to exit after three years to provide the degree of B.A. (Hons.) Public Administration. It is the first ever department in India to start the Hons. Programme both at UG & PG Level. In terms of infra-structure, it has a spacious building along with the facility of Computer Lab, Seminar Hall and Smart Class Room. The strength of the students in the department is more than 250. Almost two dozen Research Scholars are actively engaged in different fields of research and most of them are either JRF/NET/URS. More or less a dozen of students have also cleared the recently held Assistant Professor (College Cadre) Examination in Haryana.

It needs to be mentioned here that, the discipline of Public Administration is one of the most popular subjects in Civil Service Examination and has multiple opportunities in both public and private sector
