About the University

Maharshi Dayanand University (MDU) is well connected with community. The university regularly renders high quality community services through its own wings such as National Service Scheme, University Outreach, National Cadet Corps, Department of Students Welfare, and Community Centre. The proposal of establishment of Community College at the University campus is under process. The overall progress made by the University in all fields resulted in the University receiving 78th NIRF ranking in the year 2021, and the 'A+' grade from NAAC in March 2019. The university has been conferred the National Service Scheme (NSS) Award for 2018-2019 in the university category by the Ministry of Youth Affairs and Sports, Government of India. The university Faculty Development Centre regularly delivers online Faculty Development Programmes.

Vision of the University

The University aspires to be a leading 'transformative learning community' recognized world-wide for excellence in teaching, research and service and as a catalyst for intellectual, social, cultural and economic development.

Mission of the University

The University is committed to transform lives and serve the society through pursuit of excellence in teaching, innovation, lifelong learning, cultural enrichment and outreach services.

Core Values of the University

Service: University seeks to serve the diverse, personal and professional development need of its constituents and encourage habit of engagement, caring, and civic responsibility by emphasizing a connect between service, excellence, and career growth.

Morality and Ethics: University upholds the highest ethical values, integrity and professionalism and an unwavering commitment to academic freedom, transparency and accountability.

Social Commitment and Inclusiveness: University commits to nurtures and preserve an environment of safety, trust, mutual respect, equality and diversity in its all endeavors to ensure fairness and inclusiveness.

About the Institute

Institute of Management Studies and Research (IMSAR) is one of the prestigious business schools in north India. The focus is on thought leadership with in-depth knowledge and socially relevant research studies. IMSAR enjoys the privilege to be a founder part of one of the NACC accredited 'A+' grade state Universities – Maharshi Dayanand University, Rohtak. The Institute is enriched with well-qualified and diversified faculty members who provide the advantage of a much wider view and deeper understanding. It offers distinguished Master and Doctoral programmes in business education.

RATIONALE OF THE FDP

Community service is the process of assisting ordinary people to improve their own communities by undertaking collective action. It involves unpaid work performed by a person or group of people for the benefit and betterment of their community without any form of compensation. Community service helps people to become active promoters of more peaceful, tolerant, inclusive, secure, and sustainable societies. The main benefit of community service is creation of a welcoming and inclusive community. Many people participate in community service because they enjoy helping others and improving their community. The community services have become more important in post-COVID-19 era.

OBJECTIVES OF THE FDP

The main objective of the proposed programme is to facilitate the effective implementation of the new education policy. The specific objectives of the programme are as follows:

- (i) To train the participants for research and innovation in the area of community services.
- (ii) To enable the participants for carrying out community service projects.
- (iii) To improve the employability of students by developing community service skills.

SUB-THEMES OF THE FDP

The programme is focused to discuss various aspects of Community Service. Few important topics that will be covered in this programme are:

- Community Service
- Community Service System Development
- Resilient and Sustainable Society
- Community Service Value
- Meditation
- Human Values and Ethics
- Community Services and SDGs
- Social Outreach
- National Cadet Corps
- Community Service Quality and Management
- Welcome Community
- Community Services and Inclusive Community
- Corporate Social Responsibility
- Human Values and Ethics
- Community Health Services
- Health and Happiness
- Community Services in post-COVID-19 era
- Community Service and Gender Justice

PEDAGOGY

The pedagogy of this programme includes delivering online lectures by subject experts and conducting an online live mediation session.

PARTICIPANTS

The faculty members of the AICTE approved institutions, research scholars, PG Scholars, participants from Government, Industry (Bureaucrats/Technicians /Participants from Industry etc.)/School Teachers and staff of host institutions. No more than 30% participants would be from host institution.

TYPE OF TRAINING

The FDP training will be of elementary level and practical sessions will be conducted.

TEST AND CERTIFICATE

An online test shall be conducted by coordinator at the end of the program. The certificates shall be online generated to those participants who are registered on ATAL portal www.aicte-india.org/atal and attend the program with minimum 80% attendance and score minimum 60% marks in the test.
