## Skill courses: Some DU depts left out

**New Delhi:** Not all departments of Delhi University have been allowed to offer skill enhancement courses (SEC) following the implementation of the undergraduate curriculum framework (UGCF), leading to concern among teachers about how it would affect their work.

Only 26 such courses have

been approved and will be placed before the academic council on August 8. DU is set to approve the syllabus of only the first semester, instead of the first year.

SEC is a two-credit optional paper — one each till the fourth semester. Earlier, all departments offered such courses, but this has changed after National Education Policy (NEP) was implemented.
