Distance (KMS)	Score
51-100	2
101-150	4
151-200	6
201-250	8
251-300	10
301-400	12
401-500	14
501-750	16
751-1000	18
Above 1000	20

(ii) **Academic Merit (Max Score: 30)**

- Academic merit (1st preference to be given to pass students, 2nd preference is given to reappear then fail) will be calculated by taking 30% of the marks obtained in all the previous semester/year/latest result declared by University. (in case of Promote students including reappear).
- Academic merit will be calculated by taking 30% of the marks obtained in the qualifying academic programme (in case of new admission).

Computation of merit list for admission in hostels shall be prepared by using the formula

**Academic Merit Score (Out of 30) + Distance Score (Out of 20)**

**For example, if a student is having 80% marks in previous semester and distance of his residence is 355 kms, his merit score will be computed as follows**

**24+12= 36 i.e. 30% of 80= 24 for academic merit + 12 for distance.**

The distance will be measured from the residential address city/village as mentioned in residential proof attached by the student and computed through Google Map/verification from the concerned Haryana Roadways office.

2. **The HOD/Director should forward the complete list of students to be admitted (as per seat matrix) in one lot. Hard copy of the merit list along with the admission forms be forwarded to the concerned Hostel Warden and a soft copy be forwarded to the office of Chief Warden (Boys) at email: [chiefwarden.boys@mdurohtak.ac.in](mailto:chiefwarden.boys@mdurohtak.ac.in).**
