Heavy rain lashes state, 23 roads blocked Cong brainstorms for 5 hrs, Shimla meet in early Aug

TRIBUNE NEWS SERVICE

SHIMLA, JULY 24 The local MT Office has issued orange warning of heavy to very heavy rainfall, thunderstorm and lightning in low hills and mid hills on July 25 and yellow warning of heavy rains in low and mid hills on July 25, 26 and 27.

The office has also cautioned of damage to fruit plants and new plantations due to heavy rainfall tomorrow. It said supply of electricity may be affected and possibility of landslides in hilly areas cannot be ruled out in Chamba, Kangra, Kullu, Mandi and Solan districts.

As many as 23 roads — 14 in Kullu, five in Bilaspur and one each in Chamba, Kangra, Mandi and Solan were blocked for vehicular traffic due to rain. As many as 16 water supply schemes were disrupted in the state.

Heavy to very heavy rainfall lashed parts of Mandi and Kangra districts during the day. A heavy rain was witnessed with 120 mm of rain followed by Dharamsala (71 mm), Rajah (68 mm), Shillaro (61 mm), Salsandigar (60 mm) and Salsandigar (40 mm).

Narsanda recording a low of 12.8 degree C was noted at night while Dhuala Kuan was hottest during the day with a high of 34.4 degree C.

Landslide hits Bilaspur village

OUR CORRESPONDENT

HAMPUR, JULY 24

Heavy loss to government and private properties was reported following a landslide in a Dhara village of Bilaspur today. The loss to livestock was also reported by the District Disaster Management Authority. A cow shelter was destroyed where two buffaloes and 12 goats were buried under the debris of landslide that occurred after heavy rain in Kish Mahw gram panchayat in Ghumawat subdivision in Bilaspur today.

The PWD road, which leads to Kish Mahwaj, buried under the debris from landslide.

2 men feared washed away in Parbati

OUR CORRESPONDENT

KULU, JULY 24

Two youths were feared washed away in the Parbati. They are missing since July 20.

Yesterday, a jacket having an identity card of the river near Parvati cafe in Chharot Nala in the Parbati Valley near Kullu Superintendent of Police, Kuldev Sharma said Vinod Kumar and Arun Kumar, both residents of Shilla village, were returning from Chhenur Kabika on July 20 when they went missing. He said the Aadhaar card of Vinod was found in the jacket along the banks of the river.

It is suspected that their car plunged into river

He said it was suspected that their car plunged into the river and both of them were washed away. He said the police were investigating the matter and a search operation was underway.

'Sarkar badlo, halaat badlo' one of key poll slogans

ADITI TANDON

DELHI, JULY 24

The Congress on Sunday held an elaborate five-hour brainstorming here to discuss the roadmap for the upcoming Himachal Pradesh elections and to congregate in Shimla in early August for a state-level meeting on poll strategy.

The meeting chaired by special AICC officer for Himachal elections and Chhattisgarh Chief Minister Bhupesh Baghel ended with an understanding that the party needed to plan for Himachal elections "not with Chief Minister Jai Ram Thakur in mind but with the realization that the entire BJP campaign would be planned and executed from the Centre."

AICC leaders said that Prime Minister Narendra Modi, Home Minister Amit Shah, BJP chief JP Nadda and Union minister Anurag Thakur were to be kept on top of all thinking insofar as Himachal election planning goes. Also attended by AICC observers for state elections Partap Bajwa and Sachin Pilot, state Congress chief Pratibha Singh, CLP leader Mukesh Agnihotri, Himachal Congress working president and AICC secretary for the state, the meeting held at Chhattisgarh Bhawan here lasted for five hours.

Sources said the participants had decided to meet with state level leaders in Shimla to further deliberate on the roadmap. Tentative dates for the Shimla meeting are August 7 and 8. Bhupesh Baghel will come to Shimla for the meeting, a source said. The Congress today also zeroed in on "Sarkar badlo, halaat badlo" as its principal election slogan in Himachal Pradesh and in working on more plans for canvassing with the understanding that rising prices, shrinking job market should remain at the centre of poll planning.

CAN'T BE COMPLACENT

We discussed the fact that we cannot be complacent given BJP's recent return to power in UP and Uttarakhand, states not known to re-elect incumbent governments. We have to be prepared to not only preserve but also expand our vote base.

Congress leader

Sachin Pilot, state Congress chief Pratibha Singh, CLP leader Mukesh Agnihotri, Himachal Congress working president and AICC secretary for the state, the meeting held at Chhattisgarh Bhawan here lasted for five hours.

Sources said the participants had decided to meet with state level leaders in Shimla to further deliberate on the roadmap. Tentative dates for the Shimla meeting are August 7 and 8. Bhupesh Baghel will come to Shimla for the meeting, a source said. The Congress today also zeroed in on "Sarkar badlo, halaat badlo" as its principal election slogan in Himachal Pradesh and in working on more plans for canvassing with the understanding that rising prices, shrinking job market should remain at the centre of poll planning.

On the AAP, the AICC leaders felt it might play a spoiler as it did in elections in other states recently. "Our political responses have to be prepared to not only preserve but also expand our vote base," a Congress leader said. On the AAP, the AICC leaders felt it might play a spoiler as it did in elections in other states recently. "Our political responses have to be prepared to not only preserve but also expand our vote base," a Congress leader said.

281 new Covid cases in state

SHIMLA, JULY 24 As many as 281 new Covid cases were reported in the state today. The maximum of 127 cases were detected in Kangra, followed by Shimla (41), Mandi (37), Chamba (22), Solan (12), Kullu (11), Una (8), Hamirpur 7, Bilaspur and Kinnaur (6 each) and Sirmour (4) — TNS

ADB nod to ₹770-cr loan for potable water project

NEW DELHI, JULY 24

The Asian Development Bank (ADB) has approved a loan of around ₹770 crore to fund a safe drinking water and sanitation project in Himachal Pradesh. The loan has been provided under the Himachal Pradesh Rural Drinking Water Improvement and Lavelhood Project, the ADB said in a press note on Saturday.

It said that more than 90 per cent of the state's rural population had access to drinking water, but the water supply infrastructure was old and had deteriorated over the time, resulting in inefficient and poor service. The ADB project will connect 75,800 households to the service, providing uninterrupted water supply to about 3.7 lakh residents in 10 districts. "The project meets the objectives of the Jal Jeevan Mission, a national flagship programme of the Union Government, which aims to provide piped water to all rural households by 2024," said Jude Kohliase, ADB Unit Head of Project Administration on Urban Development and Water for South Asia.

The project would upgrade the water supply infrastructure and strengthen institutional capacity to ensure safe, sustainable, and inclusive rural water supply and sanitation services, Kohliase said. The Manila-based funding agency said the project would improve water supply and sanitation services through, among others, the construction of 48 groundwater wells, 80 surface water intake facilities, 108 water treatment plants, 117 pumping stations, and 3,000 km of distribution pipelines.

A pilot fecal sludge management and sanitation programme would also be implemented in Sirmour district, benefiting 2.5 lakh residents and to determine replicability and guide the design of future projects, the press note said. Tensure efficient delivery and sustainability of services, the project would strengthen the capacity of the Jal Shakti Vibhag of Himachal Pradesh and gram panchayat village and sanitation committees — PTI

Swan, tributaries hotbed of illegal mining in Una

LALIT MOHAN TRIBUNE NEWS SERVICE

DEHRAUNSA, JULY 24

Despite the fact that the National Green Tribunal (NGT) has taken a strict view, illegal mining is continuing in the Swan and its 66 tributaries in Una District.

In a report submitted to the monitoring committee set by the NGT to suggest measures for checking illegal mining in the river, the district administration of Una has maintained that 60 leases have been granted for mining in the Swan. These include 28 to slurry crushers and 32 as open mining leases from where the lessee can extract the minerals and sell these in open market. Of the 60, 52 leases have been granted on private lands on the Swan riverbed and eight on government lands on the borders of Punjab and Himachal are alleging that the mining mafia is destroying their lands by mining in the middle of night. Officials blame it on undemarcated borders of both states. Una district has become the hub of illegal mining as most of the material mined from the district flows to Punjab and Haryana.

Illegal mining in progress on the banks of Swan in Una. FILE PHOTO

STAFF GROSSLY INADEQUATE

The Mining Department has one mining officer, one inspector, two assistant inspectors and eight guards. Of these, two mining guards have been deployed on the check post at Bathi. The staff is inadequate for day and night monitoring of illegal mining operations.

329 challans have been issued against those resorting to illegal mining in the district and a fine of Rs 42,92,900 has been realised. Despite that, tractor-trolleys collecting sand from the riverbeds can be seen in Santoshgarh. Sources said the local political pressure and demand for mining material for construction works were the driving force for illegal mining. SP Arjit Sen said the police had registered 97 cases of illegal mining this year and realised a fine of Rs 7,48,300 from the culprits. He said five trucks, 26 tippers, 63 tractor trailers and three JCB machines have been impounded, according to SP Arjit Sen.

329 CHALLANS ISSUED

As many as five trucks, 26 tippers, 63 tractor trailers and three JCB machines have been impounded, according to SP Arjit Sen. Officials also highlight lacunae in the mining Act. As per the existing Act, heavy BSP or equipment is found engaged in illegal mining, the officer can issue a challan of Rs 50,000 to the violator. If the vehicle or equipment is seized two times, challan has to be sent to the court. However, no records are being kept on the number of challans issued.

Guv inaugurates Minjar Mela at Chowgan

TRIBUNE NEWS SERVICE

DEHRAUNSA/DALHOUSIE, JULY 24

Himachal Pradesh Governor Rajendra Vishwanath Arlekar today inaugurated a week-long Minjar Mela at the historic Chowgan in Chamba. He said the glorious history and rich folk traditions of the state were playing a vital role in the progress of the state. This was Arlekar's first visit to Chamba as Governor. He said the historical Minjar Mela had its own identity. Expressing happiness over the preservation and promotion of the district's rich folk art and culture and maintaining social harmony, he stressed upon the inclusion of modernity in the successful organisation of the fair. "Chamba has a rich folk culture. This culture is being preserved by the people since time immemorial. The traditional folk art and social harmony should be preserved," he said. Arlekar also talked about famous artworks of the district — Chamba Rumal and Chamba Chappal. He said the state government was taking necessary steps to accord the status of international fair to the Minjar Mela.

Women perform a folk dance at the Minjar Mela on Sunday. PHOTO KAMALEET

The Governor inaugurated the fair by hoisting the Minjar flag amid traditional 'Kunjadi Malhaar' singing — a seasonal song of the Chamba region. He also inaugurated exhibitions organised by various departments and social organisations. Chamba Municipal Council President Neelam Nayyar presented Minjar to the Governor. Deputy Commissioner DC Rana honoured the Governor on behalf of the Minjar Mela Organising Committee. Sports competitions were also inaugurated by the Governor. Deputy Speaker Dr Hans Raj, MLA Pawan Nayyar and Superintendent of Police Abhishek Yadav were among those present. The Minjar which is a silk tassel worn on the costumes by men, women and children during the fair, symbolises maize and paddy shoots which can be widely seen in this region during this time of the year. 5 feared dead, 2 hurt as car falls into gorge

CHAMBA, JULY 24

Five persons, including the driver of a vehicle, were feared dead and two others were injured when the Bolero in which they were travelling fell into a gorge near Bairagarh on the Chamba-Panipat road today, an official report stated.

The Tehsildar of Tissa, a police team and an ambulance rushed to the accident site and started relief and rescue operations. The report said of the seven persons travelling in the vehicle, two were injured and they had been identified as Des Raj and Chuni Lal. They were taken to the Tissa Civil Hospital from where they were referred to the Chamba medical college and hospital. Deputy Commissioner DC Rana confirmed that the injured were undergoing treatment in Chamba. He said five others were feared dead but confirmation was pending — OC

Heavy rain lashes state, 23 roads blocked

Cong brainstorms for 5 hrs, Shimla meet in early Aug

TRIBUNE NEWS SERVICE

SHIMLA, JULY 24 The local Met Office has issued an orange warning of heavy to very heavy rainfall, thunderstorm and lightning in low hills and mid hills on July 28 and yellow warning of heavy rains in low and mid hills on July 25, 26 and 27.

The office has also cautioned of damage to fruit plants and new plantings due to heavy rainfall tomorrow. It said supply of electricity may be affected and possibility of landslides in hilly areas cannot be ruled out in Chamba, Kangra, Kullu, Mandi and Solan districts.

As many as 23 roads—14 in Kullu, five in Bilaspur and one each in Chamba, Kangra, Mandi and Solan were blocked for vehicular traffic due to rain. As many as 16 water supply schemes were disrupted in the state.

Heavy to very heavy rainfall lashed parts of Mandi and Kangra districts during the day. Gobar was wettest with 120 mm of rain followed by Dharamsala (71 mm), Baijoh (68 mm), Shillara (61 mm), Joesnagar (40 mm), and Sundernagar (40 mm).

Narkanda recording a low of 12.8 degree C was coldest at night while Dhulau Kuan was hottest during the day with a high of 34.4 degree C.

2 men feared washed away in Parbati

OUR CORRESPONDENT

KULU, JULY 24 Two youths were feared washed away in the Parbati. They are missing since July 20.

Yesterday, a jacket having an identity card was found along the banks of the river near Parvati cafe in Chandro Nala in the Parbati Valley.

It is suspected that their car plunged into river. Arun Kumar, both residents of Shilla village, were returning from Chhenur Kahika on July 20 when they went missing.

He said it was suspected that their car plunged into the river and both of them were washed away.

He said the police were investigating the matter and a search operation was underway.

CAN'T BE COMPLACENT

“We discussed the fact that we cannot be complacent given BJP's recent return to power in UP and Uttarakhand, states not known to re-elect incumbent governments. We have to be prepared to not only preserve but also expand our vote base.”

Sachin Pilot, state Congress chief Pratibha Singh, CLP leader Mukesh Agnihotri, Himachal Congress working presidents and AICC secretaries for the state, the meeting held at Chhattisgarh Bhavan here lasted for five hours.

Sources said the participants had decided to meet with state level leaders in Shimla to further deliberate on the roadmap. “Preliminary dates for the Shimla meeting are August 7 and 8. Bhupesh Baghel will come to Shimla for the meeting,” a source said.

The Congress today also zeroed in on “Sarkar badlo, hazaar badlo” as its principal election slogan in Himachal Pradesh and working on more planks for canvassing with the understanding that rising prices, shrinking job market should remain at the centre of poll planning.

Landslide hits Bilaspur village

OUR CORRESPONDENT

HAMIRPUR, JULY 24 Heavy loss to government and private properties was reported following a landslide in a Dharti village of Bilaspur today. The loss to livestock was also reported by the District Disaster Management Authority. A cow shelter was destroyed where two buffaloes and 12 goats were buried under the debris of landslide that occurred after heavy rain in Kuh Maghwar gram panchayat in Ghumarvin subdivision in the west hours today. Apart from the cow shelter, roads leading to villages in the area were

also damaged. The road to Maghwar turned into a nullah, while a portion of another road was washed away. Ghumarvin S.M. Rajeev Thakur said the cow-shelter of Sanjay Kumar of Dharti village had been damaged. He said there was a massive damage to the roads leading to the area and it was disconnected for vehicular traffic. He said an immediate relief of Rs 20,000 was given to the affected family. He said heavy machinery was pressed into service to clear the roads.

“The PWD road, which leads to Kuh Maghwar, buried under the debris from landslide.”

281 new Covid cases in state

SHIMLA, JULY 24 As many as 281 new Covid cases were reported in the state today. The maximum of 127 cases were detected in Kangra, followed by Shimla (41), Mandi (37), Chamba (22), Solan (12), Kullu (11), Una (8), Hamirpur (7), Bilaspur and Kinnaur (6 each) and Sirmour (4) — TNS

COVID METER

Table with COVID statistics: Tests tested (47,66,703), Recovered (2,85,759), Active (4,053), New cases (281), Positive (2,93,960), Deaths (4,136)

DISTRICT-WISE COUNT

Table with district-wise COVID counts: District, +ve, Deaths. Includes Bilaspur, Chamba, Hamirpur, Kangra, Kinnaur, Kullu, Lahaul & Spiti, Mandi, Shimla, Sirmour, Solan, Una, Total.

ADB nod to ₹770-cr loan for potable water project

NEW DELHI, JULY 24 The Asian Development Bank (ADB) has approved a loan of around Rs 770 crore to fund a safe drinking water and sanitation project in Himachal Pradesh. The loan has been provided under the Himachal Pradesh Rural Drinking Water Improvement and Livelihood Project, the ADB said in a press note on Saturday.

It said that more than 90 per cent of the state's rural population had access to drinking water, but the water supply infrastructure was old and had deteriorated over the time, resulting in inefficient and poor service. The ADB project will connect 76,900 households to the service, providing uninterrupted water supply to about 3.7 lakh residents in 10 districts.

“The project meets the objectives of the Jal Jeevan Mission, a national flagship programme of the Union Government, which aims to provide piped water to all rural households by 2024,” said Jude Kohliase, ADB Unit Head of Project Administration on Urban Development and Water for South Asia.

The project would upgrade the water supply infrastructure and strengthen institutional capacity to ensure safe, sustainable, and inclusive rural water supply and sanitation services, Kohliase said. The Manila-headquartered funding agency said the project would improve water supply and sanitation services through, among others, the construction of 48 groundwater wells, 80 surface water intake facilities, 109 water treatment plants, 117 pumping stations, and 3,000 km of distribution pipelines.

A pilot fecal sludge management and sanitation programme would also be implemented in Sirmour district, benefiting 2.5 lakh residents and to determine replicability and guide the design of future projects, the press note said. “To ensure efficient delivery and sustainability of services, the project would strengthen the capacity of the Jal Shakti Vibhag of Himachal Pradesh and gram panchayat village water and sanitation committees — PTT

Swan, tributaries hotbed of illegal mining in Una

LALIT MOHAN TRIBUNE NEWS SERVICE

DHARAMSALA, JULY 24 Despite the fact that the “National NGT” has taken a strict view, illegal mining is continuing in the Swan and its 60 tributaries in Una district.

In a report submitted to the monitoring committee set by the NGT to suggest measures for checking illegal mining in the river, the district administration of Una has maintained that 60 leases have been granted for mining in the Swan. These include 28 to stone crushers and 32 as open mining leases from where the lessee can extract the minerals and sell these in open market. Of the 60, 52 leases have been granted on private lands on the Swan riverbed and eight on government land. People living at Bathri on the borders of Punjab and Himachal are alleging that the mining mafia is destroying their lands by mining in the middle of night. Officials blame it on undermanned borders of both states.

Illegal mining in progress on the banks of Swan in Una. FILE PHOTO

STAFF GROSSLY INADEQUATE

“The Mining Department has one mining officer, one inspector, two assistant inspectors and eight guards. Of these, two mining guards have been deputed on the check post at Bathri. The staff is inadequate for day and night monitoring of illegal mining operations.”

329 challans have been issued against those resorting to illegal mining in the district and a fine of Rs 42,92,900 has been realised. Despite that, tractor-trolleys collecting sand from the riverbeds can be seen in Santoshgarh. Sources said the local political pressure and demand for mining material for construction works were the driving force for illegal mining.

329 CHALLANS ISSUED

- Mining has been banned on the Swan riverbed till middle of September
■ This year, 329 challans have been issued to those involved in illegal mining in the district
■ A fine of ₹42,92,900 has also been realised
■ Despite that, tractor-trailers collecting sand from the riverbeds can be seen in Santoshgarh
■ As many as five trucks, 26 tippers, 63 tractor-trolleys and three JCB machines have been impounded, according to SP Arjit Sen

request has been made to the ED that an inquiry should be held into properties acquired by people involved in illegal mining. The severity of the illegal mining in Una can be gauged from the fact that the police have raised a special force stationed in Una under a DSP to check illegal mining. Despite all this, the illegal mining is continuing. The Mining Department has one mining officer, one inspector, two assistant inspectors and eight guards. Of these, two mining guards have been deputed on the check post at Bathri. The staff is inadequate for day and night monitoring of illegal mining operations.

Officials also highlighted lacunae in the mining Act. As per the existing Act, if any vehicle or equipment is found engaged in illegal mining, the officer can issue a challan of Rs 50,000 to the violator. If the vehicle or equipment is seized two times, challan has to be sent to the court. However, no records are being kept on the number of challans issued.

Guv inaugurates Minjar Mela at Chowgan

TRIBUNE NEWS SERVICE

DHARAMSALA/DALHOUSIE, JULY 24 Himachal Pradesh Governor Rajendra Vishwanath Arora today inaugurated a week-long Minjar Mela at the historic Chowgan in Chamba. He said the glorious history and rich folk traditions of the state were playing a vital role in the progress of the state. This was Arora's first visit to Chamba as Governor. He said the historical Minjar Mela had its own identity. Expressing happiness over the preservation and promotion of the district's rich folk, art and culture and maintaining social harmony, he stressed upon the inclusion of modernity in the successful organisation of the fair.

“Chamba has a rich folk culture. This culture is being preserved by the people since time immemorial. The traditional folk tradition and social harmony should be preserved,” he said. Arora also talked about famous works of the district—Chamba Ramal and Chamba Chappal. He said the state government was taking necessary steps to accord the status of international fair to the Minjar Mela.

The Governor inaugurated the fair by hoisting the Minjar flag amid traditional ‘Kunjadi Mahal’ singing—a seasonal song of the Chamba region. He also inaugurated exhibitions organised by various departments and social organisations. Chamba Municipal Council President Neelam Nayyar presented Minjars to the Governor. Deputy Commissioner, Dr Rana honoured the Governor on behalf of the Minjar Mela Organising Committee.

Sports competitions were also inaugurated by the Governor. Deputy Speaker Dr Hans Raj, MLA Pawan Nayyar and Superintendent of Police Abhishek Yadav were among those present. The Minjar, which is a silk tassel worn on the costumes by women, women and children during the fair, symbolises mating paddy shoots which can be widely seen in this region during this time of the year. A procession

was also taken out, which passed through the main market of the city to Laxminath temple and reached the Pink Palace. The fair was once display of culture and heritage of former Chamba state and its royals. However, many residents who still take pride in the heritage of Chamba, say now it has been reduced to a trade fair. During the days of royals, Minjar Mela was celebrated for three days. However, now for commercial reasons, it has been extended to one week. The only heritage that was still preserved in Minjar Mela was traditional singers who sing ‘Kunjadi Mahal’ in the evenings. Kunjaji refers to Kunja birds (Great Egrets) which fly over the Chowgan ground in the evenings during monsoon and Mahal is the raga for monsoon.

Panka Chawla, a local entrepreneur who has been interested in documenting the heritage of the erstwhile Chamba State, said during the time of the royals or before the Partition, the injured were undergoing treatment in Chamba. He said five others were feared dead but confirmation was pending — OC

5 feared dead, 2 hurt as car falls into gorge

CHAMBA, JULY 24 Five persons, including the driver of a vehicle, were feared dead and two others were injured when they were travelling into a gorge near Baijohar on the Chamba-Panaji road today, an official report said.

The Tehsildar of Tissa, a police team and an ambulance rushed to the accident site and started relief and rescue operations. The report said the seven persons travelling in the vehicle, two were injured when they were identified as Des Raj and Chuni Lal. They were taken to the Tissa Civil Hospital from where they were referred to the Chamba medical college and hospital. Deputy Commissioner, DC Baijohar confirmed that the injured were undergoing treatment in Chamba. He said five others were feared dead but confirmation was pending — OC
