Wheat bags found underweight in Rohtak grain market: Hafed

Says cost to be deducted from commission agent

TRIBUNE NEWS SERVICE

ROHTAK, JUNE 6

Hafed, the government procurement agency, has found wheat bags to be underweight. These were procured at the Rohtak Grain Market this season at the minimum support price (MSP) of Rs 2,015 per quintal.

It has asked commission agents, engaged in the procurement process, to deposit the required wheat. It has also warned them that they would deduct the cost of wheat from their commission on failing to comply with the directives.

The commission agents fumed over the development and refused to deposit more wheat pleading that weight of the wheat might have gone down due to the drop in its moisture level as the produce remained lying at the grain market in the scorching heat several days after the procurement.

"The wheat procured is weighed at the godown when it is brought from the grain market. Arhtiyas are bound to fill in for the loss, if any. Of the

total, 300-quintal wheat was less as per the procurement record hence the arhtiyas concerned have been asked to fill in for the loss at the earliest," said Pradeep Deswal, Manager at Hafed, Rohtak.

He maintained none of the arhtiyas had so far deposited the wheat despite being asked for the same thrice. "Now, we are planning to send their names to the headquarters so that the cost can be recovered by deducting it from their commission, which is 2.5 per cent per quintal," said Deswal, adding that a report in this regard will be sent to the headquarters by

the end of this week.

Mukesh Bansal, president, New Grain Market Dealers Association, Rohtak, has termed the action as unjustified stating that three government agencies — Hafed Haryana State Warehouse Corporation and DFSC — had procured the wheat this season but only Hafed had detected the loss. "All bags do not have accurate amount of produce, some have the produce in excess while some have lesser amount. This time, Hafed is not counting the produce in excess but wanting arhtiyas to meet the loss," said Bansal.

HC: Can't rule out inherent randomness deciding cut-off date for competition

SAURABH MALIK

TRIBUNE NEWS SERVICE

CHANDIGARH, JUNE 6

The Punjab and Haryana High Court has made it clear that certain inherent randomness in determining the cut-off date for competitive examinations would always be there. Else, it would give rise to unnecessary confusion.

The assertion came as Justice Arun Monga dismissed three pleas by 10 petitioners aspiring to be HCS officers. They were, among other things, seeking the setting aside of a public announcement dated May 2 to the limited extent that respondent-Haryana Public Service Commission (HPSC) had refused to invite fresh applications for holding preliminary examination of the Haryana Civil Services (Executive Branch) and other allied services. Justice Mon-

IN AGREEMENT WITH HPSC

"I am in agreement with the argument canvassed by the counsel for the respondent-HPSC that in the matters of determining the cut-off date in any competitive examination, there has to be certain inherent randomness to fix a particular date or else it would always give rise to unnecessary confusion.

Justice Arun Monga, PUNJAB & HARYANA HIGH COURT

tated owing to the cancellation of the earlier scheduled preliminary examination. But during the interregnum of the cancellation period, many other aspirants like the petitioners would have become eligible by virtue of their qualifications and/or age, which otherwise they would not have on the originally advertised closing date of April 2, 2021, if the preliminary examination had been held as initially scheduled. Justice Monga added that the commission decided to treat

in the advertisement earlier. The number of posts advertised also remained the same. Justice Monga added that the perusal of the relevant rule left no room for ambiguity. It clearly envisaged that eligibility with regard to the age was to be determined by the first day of January in the year the advertisement was published. "Also I am in agreement with the argument canvassed by the counsel for the respondent-HPSC that in the matters of determining the cut-
