**BHARTESH SINGH THAKUR**  
TREASURER NEWS SERVICE

**CHANDIGARH, MARCH 8**  
Haryana's Gross State Domestic Product (GSDP), at constant prices in 2021-22, is

estimated to have a growth of 35.9 per cent and that of Agriculture is 10.9 per cent. In sector-wise analysis, the Survey pointed out that since

the recent experience suggests that high GSVa growth without sustained and rapid agricultural growth is likely

to have a negative impact. But it has rebounded and is estimated to grow at 11.5 per cent in the current fiscal, on the back of manu-

facturing growth of 10 per cent in the current fiscal, fuelled by 13.2 per cent growth in transport, storage, communication and Services related to

it. But the fall in registrations of three-wheelers has been so profound that it has not yet achieved the average 2019-20 level.
