- Exceptional clarity throughout an extended frequency range with deep and accurate bass response
- Circumaural design contours around the ears for excellent sound isolation in loud environments
- 90 degree swiveling earcups for easy, one-ear monitoring, professional-grade ear pad and headband material delivers more durability and comfort
- Detachable cable

Sony XM1000 XM4(wireless Headphones)

- Digital noise cancelling: Industry leading Active Noise Cancellation (ANC) lends a personalized, virtually soundproof experience at any situation
- Voice assistant: Alexa, Google Assistant & Siri enabled (In-built) for voice access to music, information and more. Activate with a simple touch
- Speak-to-chat: Headphones use an array of smart technologies to create a seamless, hands-free listening experience. For eg, simply start speaking to automatically pause your music in Speak-to-Chat
- Wearing Detection: Proximity sensor and two acceleration sensors in your headphones can detect whether you're wearing them or not, then adapt playback accordingly to help save battery power
- Quick attention mode: Cover the right ear cup with your palm to turn down music for instant, easy conversation
- Smart listening: WH-1000XM4 adjusts the ambient sound to your activity to give you the best noise cancellation
- Long battery life/Quick Charge: A single charge provides up to 30 hrs of playtime for reliable all day listening and Quick charge for 10min charge for 5 hours play back
- Multipoint connection: It can be paired with two Bluetooth devices at the same time. So when a call comes in, your headphones know which device is ringing and connect to the right one automatically.
- Touch controls: Change the track, turn the volume up or down and take or make calls by tapping or swiping the panel with your fingertip
