WELCOME TO SANSKARAM LAW COLLEGE

The legal education programme Sanskaram Law College seeks to promote multi-disciplinary analysis of the socio-legal problems by designing its course-structure and teaching methods to realize these objectives. The methods of teaching in the Law college include... case law analysis, moot court training, project... placement programme. In addition, the college organizes seminars on contemporary legal issues, conducts clinics, courses and trains students in legal research and legal writing. By the time a student completes the programme he/she will be fully equipped with the required theoretical knowledge and practical experience in the field of law to be able to respond to the needs of the society.
