CENTRE FOR DISABILITY STUDIES

Website: www.mdu.ac.in

Email: dir.cds@mdurohtak.ac.in

Vision:

To become a leading centre for disability studies that promotes inclusion, equality, and accessibility for people with disabilities by conducting research, providing education and training, and advocating for their rights and well-being.

Mission:

- Provide education and training programs that equip students, professionals, and community members with the knowledge, skills, and attitudes needed to effectively support and advocate for people with disabilities.
- Provide a supportive and inclusive environment that values diversity, promotes respect, and embraces the unique contributions and perspectives of people with disabilities.
- Foster partnerships and collaborations with disability-related organizations, communities, and stakeholders to enhance the centre's impact and promote a more inclusive and accessible society.
- Conduct research that advances knowledge and understanding of disability issues and promotes evidence-based practices that enhance the lives of people with disabilities.
- Advocate for the rights and well-being of people with disabilities by engaging in policy and systems-level work that promotes their full participation and inclusion in all aspects of society.
