CENTRE FOR IPR STUDIES

in collaboration with

Department of Pharmaceutical Sciences

Organizes

One Day National Seminar to Celebrate

"WORLD INTELLECTUAL PROPERTY DAY"

Sponsored by : Haryana State Council for Science Innovation & Technology, HARYANA

26th April, 2024; Friday at 10 : 00 AM

Venue: Faculty Development Centre-Conference Hall, M. D. University, Rohtak

About the University

Maharshi Dayanand University, Rohtak, established in 1976 as a residential university with the objective of promoting inter-disciplinary higher education and research with special emphasis on studies in Pharmaceutical Sciences, Life Sciences and Physical Sciences, is making rapid progress to emerge as a leading educational institution of the nation. Presently, M.D. University is a teaching-cum-affiliating university with a formidable track record in academics, research, extension, cultural and sports activities. The University has been awarded 'A+' grade by National Assessment and Accreditation Council (NAAC) in March, 2019. It has been placed at 96th rank amongst Indian Universities by the Ministry of Human Resource Development, Govt. of India, as part of National Institutional Ranking Framework (NIRF) survey 2023.

Maharshi Dayanand
University, Rohtak

About the Centre for IPR Studies

The Centre for Intellectual Property Right (IPR) Studies of Maharshi Dayanand University has been established to specifically manage and coordinate the activities associated with the commercialization of research which will help the University to retain intellectual property programs on IPR and protection of the invention created by the researcher(s) of the University.

Objective of the Seminar

The Seminar in collaboration with Department of Pharmaceutical Sciences aims to raise awareness among participants and educate them the importance of Intellectual Property Rights (IPR) in fostering innovation, creativity and sustainable development. It intends to promote and facilitate discussions on emerging trends, challenges and opportunities in the field of Intellectual Property. It will empower researches, inventors, entrepreneurs and students with the knowledge and tools necessary to effectively protect, manage and commercialize their Intellectual assets.
