Themes

Read the Nature

Understanding of life on the Earth or the structure of the Universe.

Mathematical History

Developments in Mathematics.

Crossing over Mathematics

Applications of mathematics that bridge mathematics with other disciplines.

RULES

- The participants have to bring their own material for on-the-spot poster/rangoli making competitions. Only A3 size sheet for the posters will be provided by the organizers.
- Only colors and flowers can be used for making rangoli.
- Participants will be given two hours of duration for both the competitions.
- The decisions of jury will remain final.
- Maximum of two entries for each event are allowed from any Institution in India for Poster and Rangoli making competitions.
- Maximum of two entries for each event are allowed from any School of India for Model Exhibition/Competition.
- Last minute changes in rules, if necessary, can be done.

GENERAL INSTRUCTIONS

- Any institution from India can participate for Poster and Rangoli making competitions.
- Any school from India can participate for Model Exhibition/Competition.
- Last date of registration for the competitions is **March 14, 2024**.
- Declaration of result will be on **March 15, 2024**.
- Name of department/college/institute, participant, course and competition name must be clearly mentioned while sending the entries.
- Entries will be accepted through the official e-mail of the participant's department/College/Institute.
- Certificates will be provided to all participants.
- There will be no financial liability of the institute for participants/teacher-in-charges.
