Dear Sir/Madam

Department of Zoology and IPR Cell, M. D University are organizing one day National Conference on “Intellectual Property Rights: Policies for Research and Innovation”. Now-a-days scientific industries, stakeholders and research institutions are facing legal disputes related to intellectual property rights (IPRs) and technology. So, there is requirement of a carefully integrated dispute resolution plan/strategy to protect the value of technologies and associated IP rights. This conference will provide an overview of the contractual framework of collaborations in scientific fields, relevant IP matters, actual and potential disputes, and options to resolve such disputes. Eminent experts in the field of IPR have been invited as the Key Speakers to highlight the policies for Research and Innovation in field of the Life Sciences.

You are cordially invited to register for this event and attend the same.

Registration fee for the event-Rs. 100/-

Department Profile

The Department of Zoology came into existence in June 2009. Since beginning, Department is engaged in running Post Graduate Course and PhD programme in Zoology. The Department has successfully organized 05 National Seminars and also published the proceedings every year with ISBN Nos. Department has highly qualified, experienced and committed faculty. The faculty members of the Department are actively engaged in quality research in all major thrust areas of Zoology. The Department is funded by DST-FIST and UGC.

IPR Cell, MDU

The IPR Cell of Maharshi Dayanand University has been established to specifically manage and coordinate the activities associated with the commercialization of research which will help the University to retain intellectual property and appropriate licensing revenues from interested partners. The aim of the IPR cell is to cater the protection of the invention created by the researcher(s) of the University.
