## **1. PUBLICATION POLICY**

It is an interdisciplinary Journal providing a well- established platform for publication of research articles drawn from Social Science, Humanities, Education, Performing and Visual Arts on various facets of theoretical and applied nature. The journal welcomes only original papers, not published elsewhere. Authors alone are responsible for the views expressed in their paper.

## **2. PEER REVIEW POLICY**

There is a well laid system of peer review of the contributions submitted by scholars. All research papers/ articles are sent for a blind review by the experts in the related subjects/fields. The comments of the reviewer are conveyed to the author. Only on receiving an acceptable revised version, the contribution is published. Rejected papers may not be sent back to the authors.

## **3. ETHICS POLICY**

Only original work not published elsewhere, in whole or in part, is published. Authors are required to give a certificate to this effect at the time of submission for publication. The contributions are screened carefully to detect any regional, political, religious, and social or gender bias. The conclusions drawn are expected to be based only on empirical/ processed data. The journal is particularly averse to any kind of plagiarism/plagiarized material.
