INVITATION

World Environment Day is celebrated across the world on 5th June every year. Since 1974, World Environment Day is the most remarkable day for environmental action. The United Nations Environment Programme (UNEP) organizes events for Environment Day every year to encourage worldwide awareness and action for the protection of environment. The theme of World Environment Day 2022 is 'Only One Earth'. The year 2022 marks the 50 years since the first United Nations Conference at Stockhome in the year 1972 that led to the creation of UNEP and designating 5th June as World Environment Day every year.
