

MAHARSHI DAYANAND UNIVERSITY DEPARTMENT OF ECONOMICS

(NAAC Accredited 'A+' Grade State University)

CORDIAL INVITATION TWO DAYS WORKSHOP (Funded under RK Foundation Fund)

QUANTITATIVE TECHNIQUES IN DATA ANALYSIS

25-26 April 2025

REGISTRATION FEE: NIL

PARTICIPANTS: UG/PG STUDENTS AND RESEARCH SCHOLARS

Registration Link: <https://forms.gle/XjMqHtULvCPaVfR36>

ABOUT WORKSHOP

After attending the workshop, participants are able to understand the basics of data entry and analysis. They are familiar with the use of Statistical and Econometrical tools & techniques. The learners are able to enhance their skill in using various statistical and data analysis software such as **MS Excel** and **R**. Measures of central tendencies and dispersion, correlation and regression, growth rates estimation, testing of hypothesis, tests of signification and basics of matrix algebra are the key topics that will be covered during this two-day workshop. A special focus will be on designing a questionnaire, data entry, compilation and analysis. For the benefit of students who intended to complete a project report, write a dissertation or those who will join an internship programme under NEP 2020, essential topics will be covered. Eminent experts/resource persons have been invited for conducting the sessions of workshop.

Participation Certificate will be issued only to those who attend all the sessions. Workshop will be conducted in face to face only. For further information, please write:
